

Presentation Zen- Simple Ideas on Presentation Design and Delivery- 2nd Edition (Chinese Edition)

It is a best reading for readers to transit from the realm of necessity to the realm of freedom about PPT presentation. What is different from the other books in the market is that the book explains not the functions and operations of PPT software but how to think PPT presentation from thought and method. In this new version, the author provides fully new examples for readers to draw inspiration from. It presents how to establish a good relationship with the audience through simplicity and storytelling.
