

Lazy Lunches

Marlene van der Westhuizen, celebrated author of *Delectable* and *Sumptuous*, shares her favorite recipes for long lazy lunches with friends and family in this accessible little book. There are recipes for summer lunches in the garden and winter lunches in front of the fire, a casual kitchen lunch with family or a romantic lunch on the Victorian balcony of her home. Whether you choose the mackerel and sweet potato fishcakes or the apple-cider glazed onion tart, your guests will be delighted. Marlene makes the romance of French cooking accessible to all South African cooks.
