

11th Hour Preparedness - 2nd Edition: Making Choices While We Can

Infrastructure is the network of services and supply that we have grown dependent on. What do we do when it fails us? How will you live when you can't trust the water and the grocery stores are empty? Are you prepared to keep your family healthy, fed, and safe during disruptions of social controls that can happen because of acts of nature, terror, or economic collapse? 11th Hour Preparedness will assist you to evaluate your unique situation, examine options available to you now, and make choices to avoid becoming a victim. Society holds a fragile grip on order and control. Those who will endure and emerge strong are preparing now and learning skills that move them toward self-sufficiency.
