

Gods Enchanted Rose - a prayer for humanity

In the Realm of Heaven, the Lord sighed. And so it began. But with the simple words, Ill do it, the chance to stop the imminent destruction of Earth was born. Can one lowly angel named Orphaniel change the ways of Tony Rose, one of the worlds worst tenants - whose own struggles and hatreds put him in Gods contempt - in time to save the world with one of the greatest miracles ever witnessed? Or will the godless planet fall into the hands of the evil angel, Malach Ra, who has ideas of his own on how the dark days should be spent? Take an amazing journey into the not-to-distant future and be witness as the planet takes on some amazing and spiritually up-lifting changes.
