

1966: My World Cup Story

In 1966 England won the World Cup at Wembley. Sir Bobby Charlton, Englands greatest ever player, was there on the pitch. Now, 50 years on, Sir Bobby looks back on the most glorious moment of his life and Englands greatest sporting achievement. In 1966 he takes us through the buildup to the tournament and to the final itself, describing what he saw, what he heard, and what he felt. He explains what it was like to be part of Sir Alf Ramseys team and gives us his personal memories of his teammates, the matches, the atmosphere, the emotion of being carried on the wave of a nations euphoria and how it felt to go toe-to-toe with some of the foremost footballers to ever play the game. He reveals what it means to be forever defined by one moment - how a life fully lived can come back to one single instance, one day when a man stands side by side with his best friends, united in a single aim, in front of a watching nation.
