

The New York Mets and the 1986 World Series

Few teams are as canonized in New York sports culture as the 1986 New York Mets, who won the World Series over the Boston Red Sox in a most dramatic fashion after what many say was a destined season. The team, which featured Mets greats such as Darryl Strawberry, Dwight Gooden, Keith Hernandez and Lenny Dykstra, finished the regular season with a franchise record of 108-54. This e-single picks up at the end of the regular season and follows the team through the NCLS against the Houston Astros and on into the World Series and a title they have yet to repeat.
