

## 1OCT1993

1OCT1993 traces the overlap between a sentient slime mold/android and the family of a deep-cover C.I.A. agent who has been chasing him around the globe for decades. Matters are complicated when almost everyone on Earth gains access to an advanced, virtual reality version of the Internet, know as the Green, sometime around 1900 C.E.Excerpt: It was Plinths turn to evince incredulity. Obviously, there was no lighthouse at these coordinates, or at any other coordinates in the general vicinity. The apparent reality of the situation did not mesh with with common sense. The situation was untenable. Plinth employed the use of a vintage chronometer, worn on his wrist. Presently, he fingered the device as his lawyers booted up their paperwork. Were in the middle of the south Atlantic, Wetbeard, he said. Please explain. Sir, I dont know where it came from. I looked down, and then I looked up. From out of nowhere, it was there. Well, what am I paying you for? Steer the ship out of its way. Sir, thats what Ive been trying to tell you. I--
