

## Earning Money Without a Job

Tired of the nine-to-five treadmill? Want to be your own boss and do work that interest and stimulates you? Until now, for millions of Americans, being out of a job meant being out of work. But no longer! Jay Conrad Levinson has helped thousands of individuals leave stagnating careers and get on independent courses toward personal and financial satisfaction. This completely revised edition of *Earning Money Without a Job* is loaded with practical, money-making ideas that don't require fancy degrees or huge start-up costs (or any start-up costs, in many cases) -- from selling and mail order to catering and high-tech repair services. In addition, Levinson shows you how to size up your strengths and weaknesses, how to market yourself, and how to get the help and financing you'll need to succeed.
