

## Cocktails and Shooters with Dirty Names

Cocktails and Shooters with Dirty Names contains over 300 cocktail and shooter recipes with dirty and vulgar names. It makes a great resource for parties and other social events where proper etiquette is not important. We have all either tried or have at least heard of cocktails and shooters that have dirty, vulgar, and obscene names. This book was written to provide you with over 300 recipes to make at home, surprise your friends with, or know what you are ordering the next time you're out on the town. Some of the more common cocktails with fairly tame names are included as well as some of the much more obscene named drinks. This is definitely one of those books that you should keep away from children and if you are offended by vulgar words, this book is not for you.
