

Body Language of Highly Effective Public Speakers: 8 Skills to Increase Your Audiences Focus on Your Message and Not You

Whether you are a salesperson, consultant, team leader, executive, city council member, teacher, or a new hire, your presentations skills matter. Have you ever spent hours and hours crafting the perfect message, focusing on every detail and when it comes time to present, your message falls flat and your audience seems to lack the enthusiasm you expected? The problem may not be your message. It may be the invisible wall that stands between you and your audience because of the message your body is conveying. FranklinCovey, the premier global provider of effectiveness training and consulting, has the solution to remove the invisible wall and create a lasting impression of your message. By learning eight simple skills of what to do and what not to do with your arms, hands, legs, eyes, and voice, your effectiveness as a presenter will dramatically increase. Take action today and purchase Body Language of Highly Effective Presenters and master the eight essential skills to get your audience to focus on your message instead of you.
