

Lucas: The Odyssey of a Baby Boy

When looking for all the right words, sometimes its best to use your own. This book is about the emotionally moving experience that brought two sisters closer together and a well-loved child into a world of love and support. Baby Lucas birth not only changed the lives of his parents, but completely and unexpectedly altered the life of a younger sibling, while she impatiently awaited his entry into the world. However, her patience was rewarded by being named the Godmother of her soon to be nephew and so she wanted to capture this experience and the many others that led to the birth of baby Lucas and the discovery of a bond between two siblings. This book is the account of those experiences.
