

You Can TRIUMPH OVER TERROR

You Can TRIUMPH OVER TERROR is an emergency preparedness handbook for the family. It discourages hysteria and paranoia while providing simple instructions to minimize the real risks of man made and natural disasters. Putting these ideas to work will increase your likelihood of survival and frustrate terrorists by limiting their potential effectiveness. Prepare yourself and encourage others. Save lives! Follow the guidelines in this book to protect yourself and your loved ones from pain and loss. Author Frank Becker is a disaster recovery specialist with LabArts Corporation. He has earned over two dozen certifications, designed numerous fallout and home shelters, was a Civil Defense Director of Emergency Housing during the Cuban Missile Crisis, and has authored several books.
