

The Delany Sisters Book of Everyday Wisdom (G.K. Hall Large Print Inspirational Collection)

ITS AS IF WEVE BECOME AMERICAS GRANDMAS. Thats how Sadie Delany described the outpouring of affection and admiration that followed the success of *Having Our Say*, the best-selling memoir she and her sister published in 1993. Now they offer their fans a treasury of grandmotherly good sense: memorable aphorisms, engaging anecdotes, rules for managing money, practical advice on staying active in old age, and some favorite recipes, too. Its a book filled with the secrets of living well, from two women who did it for more than a century.
