

## Estate & Retirement Planning Answer Book, 2012

Estate and Retirement Planning Answer Book (2012 Edition) provides expanded coverage of financial and estate planning strategies for implementing individualized solutions for the special problems associated with retaining accumulated wealth for retirement and estate planning purposes. With its comprehensive two-part approach to the complex issues that link retirement planning and estate planning, Estate and Retirement Planning Answer Book (2012 Edition), includes coverage of such topics as the final minimum distribution rules for individual retirement accounts and qualified plan distributions, the use of insurance as a qualified plan asset, and changes in the law to reflect the latest legislation. Replete with scores of examples that illustrate and analyze estate planning strategies and their effects, Estate and Retirement Planning Answer Book, 2012 Edition, brings insight and expertise to the realm of estate and retirement planning by focusing on the tax-free transfer of wealth and by providing an insiders view of the various retirement benefits available to the corporate executive under both qualified and non-qualified retirement plans
