

Greyhawk Adventures: From the Ashes/Boxed Set (Advanced Dungeons & Dragons, 2nd ed)

The dust has settled. The smoke has cleared. The war machines of Greyhawk's armies have ground to a halt. In the aftermath of the great war, the people of Oerik piece their lives together, some struggling to retain their homes, other pilgrimage to the cities, searching for opportunities. And searching for answers. Who is in power? Which borders still stand, and which have been dissolved? Can anyone be trusted, or have the Scarlet Brotherhood agents infiltrated every inn and tavern? The lands of Greyhawk are forever changed, but provide more opportunities than ever for adventure and danger.
