

Pension Magic

Pension Magic shows you how to build a big retirement pot by claiming thousands of pounds of extra tax relief on your pension contributions. The new edition also tells you everything you need to know about the new Pension Freedom rules and shows you how to pay less tax when you start taking money out of your pension. Other subjects covered include how a couple can increase their retirement income by over 30% by correctly choosing who makes pension contributions, how parents claiming child benefit can receive a tax refund of up to ?72 for every ?100 they invest in a pension, how to boost your pension pot by over ?50,000 with a salary sacrifice pension, why pensions are much more powerful than ISAs, delivering 42% more after-tax income, how basic-rate taxpayers can increase their pension pots by 33%, how higher-rate taxpayers can calculate their optimal pension contribution and enjoy the maximum tax relief and pension strategies for landlords, company directors and other business owners.
