

## A Lesson in Love (Lesson Series Book 9)

In the ninth and final installment of the Lesson series, Ginny has learned a great deal about men. She's experienced every romance novel scenario she can think of, but still has one more lesson to learn. When she meets the duke of Rutland, Ginny knows instantly that he's the one. What she doesn't realize is how perfect he is for her, and not just her character. Drew Clarke, the duke of Rutland, only wanted some land for his new stables. When he has to deal with the beautiful Samantha Rylan, Ginny's newest character, he is overwhelmed by the force of her personality. She is too far beneath him to marry, but he finds he can't pull himself away. Is this where Ginny finally finds love? Or will she be doomed to leave him once the story is complete?
