

A Modern Way to Cook: Over 150 quick, smart and flavour-packed recipes for every day

From the author of the brilliant *A Modern Way to Eat*, a new collection of delicious, healthy, inspiring vegetarian recipes that are so quick to make they're achievable on any night of the week. Many more of us are interested in eating healthier food on a regular basis but sometimes, when we're home late, tired after work, and don't have time to buy lots of ingredients, it can just seem too complicated. In this brilliant new collection of recipes, Anna Jones makes clean, nourishing, vegetable-centred food realistic on any night of the week. Chapters will be broken down by time (recipes for under 30 or 20 minutes, or recipes that are quick to prepare and can be left to slow cook) and also by planning a little ahead (quick healthy breakfasts, dishes you can make and re-use throughout the week). Anna's new book will be a truly practical and inspiring collection for anyone who wants to put dinner on the table quickly, without fuss, trips to specialist shops or too much washing up, but still eat food that tastes incredibly and is doing you good.
