

## Eric Sloanes an Age of Barns

This is a re-issue of Sloanes classic folksy history of barn folklore, architecture, and history, which has been out of print for twenty years. Eric Sloanes An Age of Barns is filled with fabulous black-and-white illustrations from this great American artist. Covering all types of American and Canadian barns and everything associated with them-implements and tools, hex signs, silos, out buildings, hinges, barn raising, and more-Eric Sloanes An Age of Barns is a spectacular album tribute to this important facet of our architecture and agriculture. This book is sure to once again become a collectors item.
