

A View from the Bench: The Story of an Ordinary Player on a Big-Time Football Team (Sport and Society)

Recruited for his combination of size and speed, George Mills had the potential to become an outstanding college football player--but it never happened. A View from the Bench reveals the reality behind the glamour of college football and the tough experiences in the life of a benchwarmer. Mills was a solid player who loved the game, but he had only one shot in nearly five years at making Nebraskas starting team. He found little time or energy left for academics after hours of drills, weight lifting, and team meetings. Now, with complete candor, Mills lays bare the true weight of emphasis in the student-athlete dichotomy. Recruited for his combination of size and speed, George Mills had the potential to become an outstanding college football player--but it never happened. football and the tough experiences in the life of a benchwarmer. Mills was a solid player who loved the game, but he had only one shot in nearly five years at making Nebraskas starting team. He found little time or energy left for academics after hours of drills, weight lifting, and team meetings. Now, with complete candor, Mills lays bare the true weight of emphasis in the student-athlete dichotomy. Free from anger or malice, Mills tells of his struggle to come to terms with a sports career of mediocrity. A View from the Bench is an honest reflection of the experiences of so many overlooked players. It will be meaningful to anyone who has watched or played competitive sports.
