

Codependency: 14 Days to Overcome Codependent Behavior. Break Free From Codependency and Learn to Respect Yourself (codependency, codependency for dummies, codependency books)

Codependency is rarely talked through as about real problem although that is exactly what codependent behavior is.

Codependency is affecting every aspect of life of the affected person and often the person affected cant even recognize the problem, driven by fear and need to be accepted. If you have recognized codependency patterns in your behavior or in actions of someone close to you, this guide is the right book for you. We have created a manual that is supposed to help people with codependency to solve their problem in only 14 days so they could change their life to positive and turn to loving themselves instead of dedicating their lives to pleasing others and giving into bad patterns of codependency that are everything but healthy. In our guide you will learn how to break free from codependent behavior by learning how to love, appreciate and respect yourself.

Here is what you will learn after reading this book: Identify and Evaluate the Problem Recognize Codependency in Relationships Love and Respect Yourself Accept Yourself and find Peace Break Free+ Independency Commandments Getting Your FREE Bonus Download this book, and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion.
