

Whats Important Now?

At six-foot-five and 247 aggressive pounds, all-star defensive lineman Bryce Paup looks like a man pursuing only one goal-to devastate his opponents. But under the mud-stained Buffalo Bills uniform is a man who knows whats important to God, whats important now-on the field and off. Whats Important Now is the riveting story of an Iowa farm boys mistakes and triumphs, all the way to the top of the NFL. Its also the story of how God-and not money, fame, or pleasure-can be the most important thing in our lives. When we put him first, He offers us a life more adventurous and more satisfying than we ever dreamed of.
