

Akermanis: Off the Leash

Say what you like about Jason Akermanis footballer, showman, show-off, troublemaker theres no denying that hes made an impression in his 15 years as an AFL star player. Now, after more than 300 games, three Premierships and a Brownlow Medal, the curtain has come down on his extraordinary career. No longer restrained by contractual obligations and free to speak at last, Aker reveals a no-holds-barred look at a stellar sporting career, including behind-the-scenes details of Akers falling out with Leigh Matthews, his move to the Western Bulldogs, run ins with fellow players, and his thoughts on the game. Interwoven throughout is the personal story of finding and reconciling with his biological father a married man with a family of his own who lived next door. Told with trademark honesty and passion, this tell-all memoir is a must-have for all footy fans.
