

# Power Pitches: How to Produce Winning Presentations Using Charts, Slides, Video & Multimedia

Power Pitches is a powerful weapon for anyone who makes formal or informal presentations to either large or small groups. Building upon his Ten Rules of Power Pitching, and using interesting and insightful anecdotes pulled from his years of experience, noted communications expert Alan L. Brown reveals his proven secrets for making powerful presentations. Power Pitches ignites your presentation skills and explains, in detail, how to master the language of visual communications, organize a successful presentation every time, and seize your audiences attention with electronic media.
