

Always Charlie (Thorndike Press Large Print Clean Reads)

Artist and gallery owner Charlotte Turner knows that ghosts of the oddest sorts show up in her paintings-- and in her quirky southern town. Now Harrison McMillan, the most spirited encounter of her life, is back. Twenty- five years ago he married another woman, and plans on doing the same thing again. Harrys memories are filled with romantic French evenings, the sea, and always ... Charlie. But Harry has some mistakes to unmake to have a ghost of a chance.
