

An Anglers Astoria

Among so many books of doleful reminiscence (written by young men), Hughes stories are oases. --Fly Fisherman Like his more formal works, An Anglers Astoria contains many lessons, the kind you come by honestly, if you grow up fishing a place you learn to love--homewaters, or heartwaters as it were--and ultimately become an aquatic entomologist-cum-expert fly fisher. --Seth Norman, California Fly Fisher New edition of one of the books that launched Dave Hughes career 1st edition published by Frank Amato in 1982 New preface and a substantive, new, unpublished piece, Life Cycles A reflective, exuberant collection of stories and essays about Hughes home water near his hometown, Astoria, Oregon
