

Andrew Glendinnings Apple Tree Cookery Book - The Guide to Rational Diet (Vegetarian Cookery Series)

Originally published in 1902, this is one of the earliest vegetarian cookery books ever written. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. Contents Include: This book contains the introductory matter and recipes from Mr . Andrew Glendinnings Apple Tree Annuals during the years 1886, 1887, 1888, 1889, 1890, and 1891, of which 76,000 have been issued. Homekeepers will find in the Apple Tree Cookery Book many valuable hints and original recipes, the result of Mr. Glendinnings considerable experience as a successful caterer and restaurateur. Mr. Glendinnings restaurants in London are situated at 34, London Wall 35, The Poultry, Cheapside and 278, High Holborn. As a caterer he has always been actuated by generous motives, and his dinners of three courses for sixpence have been a great boon to those possessing limited means. The Editor feels sure that all readers into whose hands this book falls will willingly help to make it known.
