

The Angelic Year: Healing Through Angelic Meditation

This sumptuous volume follows the spring-to-winter cycle of the zodiac, introducing readers to the angels of the season and the qualities they inspire. Each angel has its own special characteristics—abundance or trust, for example—and this book illuminates the essence of more than 80 angels, accompanying each profile with a prayer or meditation. Written for both traditional believers and uncommitted seekers alike, *The Angelic Year* offers a continuous source of guidance in daily life. Ambika Wauters, a psychotherapist and homeopath, is the author of *Ambika's Guide to Healing and Wholeness*, *The Journey of Self-Discovery*, and *The Angel Oracle*.
