Como la nacion mexicana, el tequila nacio mestizo: del agave americano y los alambiques llegados de Europa. Y con el paso del tiempo, se convirtio en un simbolo nacional. Como fue que los atributos de Mexico y los del tequila se fundieron en una sola imagen? Estas paginas nos invitan a explorar la historia y la presencia cultural de esta bebida emblematica. ENGLISH: Like the country that gave rise to it, tequila was the product of two cultures: the American agave and European stills. Over time, it became a national symbol. How did the attributes of Mexico and tequila wind up being fused into a single image? This issue explores the history and cultural references of this emblematic spirit.
