

As the Cannon Roar

A glimpse inside the pages of *As the Cannon Roar*: Hundreds upon hundreds of stories have been written about the American Civil War. Although set in the Antebellum era of the Old South this story is not one of them. This is an in depth study of a familys struggle to hold onto the only home and the only family they have ever known as the war rages all around them. It is a gritty but true to life story. It is both heartwarming and heartbreaking. It is full of despicable men doing despicable things. It is a story of love. It is a story of a marriage that is - in that time - frowned upon. Yet in order to tell this heart-rending story of war and love, and as a way to introduce the dreadfully wounded Confederate Artillery Captain, Thaddeus Biggs and his love of a country girl, one battle, that known as Malvern Hill, is used as a backdrop. Lillie Beth is the daughter of a poor dirt farmer, Tink Strickland. Tink is an evil man and void of all humanity. His jealousy of the successes of his neighbors tears at him and he will stop at no depravity in his efforts to obtain similar wealth. Therefore, his family suffers greatly at his hands. Wounded and near death, a handsome, young Confederate Artillery officer is brought to Lillies fathers log cabin which has recently been appropriated as a field hospital. There she soothes the mans heated brow with a wet cloth and cool well water and appoints herself as his nurse. Little does Lillie know the wounded man suffering on the tick-mattress upon the floor is from the wealthiest family in all of North Carolina. But knowing only poverty, such wealth has no meaning to her. Her life changes drastically when Captain Thaddeus Biggs father arrives to take his son home. The Biggs family has nearly disintegrated upon learning their beloved son and brother has been wounded in battle, while the Strickland family near the battle of Malvern Hill dissolves so completely it

will never recover.
