

The Tennis Baseball League

Sometimes we struggle losing the things that we love as we grow up, but for Vince Tipre and his friends, no longer playing the game of baseball was not an option. Go inside the real world of a young mans passion for a sport and all the ways it can be reborn. The Tennis Baseball League is Tipres second work. His first book, Six Summers, is also a memoir, written about working at his neighborhood parks summer day camp and the coworkers and campers that changed his life. He currently lives in Chicago where he works as a teacher for the public school district. Please visit vincetipre.com to find out more information, to purchase his other books and to stay up to date on his new writings.
