Booze for Babes is a must-have manual for the lady who loves good food but is not yet spirits-savvy. Readers learn: Why every lady should know her liquor A short history of ladies on-again, off-again relationship with the hard stuff How to choose a quality gin, whiskey, rum, tequila, brandy, vodka or liqueur, and look cool doing it How to tell a marketing ploy on a label from the real deal How to train your palate and hone your taste How to mix business and booze How to build a well-equipped home bar How to entertain with spirits in a way that honors old-fashioned traditions and impresses guests Dozens of recipes for cocktails, bitters, vermouth, liqueurs, and more The foreword was written by Lynnette Marrero, co-founder of Speed Rack and NYC president of Ladies United for the Preservation of Endangered Cocktails.
