

Avoiding The Pitfalls of Forex Trading

Do you know why you will lose Money trading Forex?Warning: This special report, written by an insider, lets you in on the dirty secrets and methods unscrupulous forex brokers and all kind of scam artist use to steal your money.Dear Friend, If you are considering trying your hand at Forex trading, buying a Forex robot, hiring a trader to manage your Forex account or are just curious about all the hype around the incredible returns Forex seems to bring, then you MUST READ THIS REPORT. Not doing so will probably cost you hundredths, if not thousandths of dollars!This special report is chockfull of advice on how to avoid the pitfalls of forex trading. Every single paragraph in this book has to potential to save you 100 times more than the cost of the entire report.Read this book first, if youre about to invest in a Forex Robot or a Managed Forex system. You will immediately save more money by just reading the chapter on Managed Accounts then the cost of this report. Embarking on a forex trading expedition without this roadmap, will cost you more in lost money, frustrations, time and other headaches than several times the price of this special report. This book is not a get rich quick system. It is not a forex trading system, a forex robot. NO, its not even a way how to make money with forex. It is all about HOW NOT TO LOSE MONEY when trading forex. So What Exactly Is This book About?This book is a guide on how to avoid the most common pitfalls when trading forex. It will teach you all about: 1. GREED and what it can do you (make you lose money)2. Existing and NON-existing REGULATIONS3. OTC and COUNTERPARTY TRADING and why you lose money because of it4. SPREADS and how they can be used to drain your account5. LEVERAGE and how you can lose your total investment in seconds because of it6. MAJOR CROSSES and why you should stick to

them.7. LOSSES FEAR and GREED and how they can devastate you and your trading account8. SLIPPAGE and how it can turn a winning trade into a losing one9. MANUAL EXECUTION and how to stay away from this losing feature of your forex account10. ROLL-OVER and how it siphons small amounts out of your account, day after day11. DEMO ACCOUNTS, use them for what they are worth, but do not trust them!12. MANAGED ACCOUNTS, probably the biggest black hole of them all. Here we discuss how to spot a scam, forex robots, the truth about hypothetical or back tested results, human traders and how to best pay your human trader Each of these paragraphs is guaranteed to save you several times the cost of this book. The advice in this report will enable you to tell your friends and family members how to spot scams, what to walk away from. Can you afford not to... Can you afford not to read this special insider report and risk losing loads of money for not reading it? Can you afford not be able to advice a friend or relative and stand by just to see them loose thousands of dollars? A powerful report like this can save you, your relatives and friends hundredths, if not thousandths of dollars. People who have read this book have told me it has opened their eyes and if they had gotten their hands on it sooner, it would have saved them 300\$, 1,200\$, even 5,000\$; someone even got taken for 15,000\$ and told me that if he had read this book first, he would not have invested a dime in the program that ultimately cost him 15K of his hard earned savings.
