

## In Search of Adventure: The Grand Duchy of Karameikos Anthology (Dungeons and Dragons Supermodule B1-9)

In Search of Adventure collects the first nine of the B-series (Basic) modules into a single paperback volume, after most of them went out of print. Unlike the components of some of the other supermodules, none of these scenarios were originally designed to work together, intended to take a party of characters from 1st to 3rd level. Maps are bound into the book in the back on perforated pages.
