

Baby to Five: An Early Years Journal

This is a comprehensive guided journal for the first five years of your child's life. From a tiny newborn to an inquisitive and independent child - the first five years of life are a time of amazing and exciting change, development and discovery. This comprehensive new journal allows parents to record all the details of their child's life up to the age of five. Every milestone on the journey is covered, from the day that baby was born to his or her first tentative steps and words, and then all the way through the thrills and spills of the toddler years to the child's fifth birthday. When completed, Baby to Five will be a unique and magical keepsake filled with precious memories of your child's formative years.
