

Mardukite Wizards of the Wastelands: The Babylonian Necronomicon Anunnaki Magick Handbook

[Mardukite Heritage Edition: A reissue of an otherwise cycled out-of-print edition kept available for review and posterity as part of the developmental legacy of the Mardukite Research Organization, founded 2008.] Dig deeply in the mardukite annals and become a Wizard of the Wastelands! A revolutionary powerful and concise truth seeker companion. The official mardukite ritual magick and ceremonial workbook derived from the Necronomicon Anunnaki Legacy cycle of literature including: The Necronomicon Anunnaki Bible, Sumerian Religion, Babylonian Myth & Magic, Necronomicon Revelations and The Book of Marduk by Nabu, all revised and arranged for an exciting all-in-one companion to the mysteries! This practical guide allows a Seeker to literally walk-through the Gate-work of the Babylonian Anunnaki Tradition, with or without having immediate access to the companion texts, providing a critical step-by-step outline for the performance of the authentic Babylonian Anunnaki Magick Tradition being practiced in the underground today, just as it was yesterday! Complete information to guide a daily living tradition, practice priestly magick of the Sky Gods and perform public rituals such as the Akitu (Akiti) New Year Festival of Marduk at the Spring Equinox or the global exorcisms of the Maqlu are all contained within this amazing volume! The Mardukite Wizards of the Wastelands Babylonian Necronomicon Anunnaki Magick Handbook is edited by prolific writer and founder of Mardukite Ministries, Joshua Free. It has been prepared in series with his first companion handbook, Mardukite Guardians of the Gates and is an official manual of the Mardukite Chamberlains as approved by the Council of Nabu.
