

Bad Boys Next Exit

Take Everything by Shannon McKenna All Jane Duvall wants is to bag another big account for her headhunting firm, even if it means stealing a key employee from sexy hotel CEO Michael Mac MacNamara. But once Mac gets a good look at the luscious, elusive Jane, hes more than willing to let her take everything ... body, heart and soul. Exposed by Donna Kauffman Christmas Eve and two strangers on a train stranded in a blizzard--well, Austin Morgan and Delilah Hudson couldnt have picked a less likely place to experience passion and love. Pure Ginger by E. C. Sheedy Ginger Cameron has wasted too much time on the hey-baby, great-sex, see-ya kind of guy--sand her PR business is suffering. From now on, shes a beige woman, a serious woman, and a woman who sleeps alone. Enter Cal Beaumann who wants to hire Ginger. But when his male radar kicks in, he bets himself theres more to Ginger than coiled hair, orthopedic shoes and industrial strength underwear.
