

Complete Guide To Credit & Collection Law, 2012-2013 Edition

When chief financial officers, attorneys and business owners focus on debt collection - both consumer and business debts - their overall concern can be generally summarized in two short sentences: What can I do legally? and Where do I find the answer? Aspen Publishers Complete Guide to Credit and Collection Law, 2012 - 2013 Edition is a comprehensive effort to answer these questions. Recent years have produced as many significant changes in the credit and collection industry as Sarbanes-Oxley produced in Wall Street. Legislation emerging from Congress impacts not only on the extension of credit, but also the collection of debts. The new, completely updated 2012 - 2013 Edition contains the following:
