

The Smart Guide to Healthy Grilling (Smart Guides)

The essential grilling guide for everyday family dinners and crowd pleasing entertaining, featuring the healthy foods we want for our families and ourselves. Replace unhealthy processed foods with these flavor packed marinades, rubs, brines, recipes and techniques. Based on the latest healthy eating and weight loss research, this fad-free guide will teach you how to select the best ingredients and transform them into the healthiest meals. You'll learn how to rethink your patio or backyard grill to create weekday meals you can prepare in minutes, and with less cleanup than using your oven or stovetop. Entertaining will be more enjoyable, as elaborate or casual as you want, when you explore this new way of grilling low-fat, highly nutritious meals that are as tasty as they are good for you. The Smart Guide To Healthy Grilling will teach you how to:

Make low-fat, heart healthy burgers and steaks that are bursting with juicy flavor
Convert fish avoiders into seafood lovers
Grill fresh veggies so tasty even your kids will crave them and fresh fruit too
Use your grill for a weight loss diet that's an enjoyable lifestyle instead of a drag
Virtually eliminate possible cancer-causing chemicals in grilled meat, fish and poultry
The Smart Guide to Healthy Grilling is like no other grilling book. It embraces both the science of healthy eating and the art of creating delicious food. If you're a busy mom or dad who believes pure and natural food is essential to overall good health, this is the grilling book for you
