

Baseballs Ultimate Power: Ranking the All-Time Greatest Distance Home Run Hitters

The tape-measure home run is the greatest single act of power in the game of baseball, and the tales of these homers are the most cherished legacies players and fans hand down through the generations. Each long-distance shot has become fable; they are baseballsversions ofthe feats of Paul Bunyon, Hercules, and Samson. No one but Bill Jenkinson could separate myth from fact and actually study, rank, and describe in riveting detail baseballs strongest long-ball hitters. Fully illustrated with player photos and aerial ballpark photos showing the landing spots of each stadiums longest home runs, Baseballs Ultimate Power is the definitive book on the tape-measure home run and its practitioners. Jenkinson travels through the decades to give us the distances, descriptions, and comparisons of theforty longest hitters inmajor leaguehistory, the ten longest-hitting active players, the five mightiest from the nineteenth century, and the five best tape-measure batsmen from the Negro League era.
