In 2013, Alan Hodgkinson marks 60 years spent playing and coaching at clubs including Sheffield United, Manchester United and England. In *Between the Sticks*, Alan tells the story of a life in football: from his days as a trainee at Worksopp Town in the 50s, to his big-money move to Sheffield United (where his signing-on fee was a new suit for courting), to England duty, as well as a glittering coaching career at Man United, Rangers, Villa among others. It is a story that features legends of the game such as Matthews, Charlton, Best, and Pele, all of whom Alan has played with or against. *Between the Sticks* will transport the reader back to a golden age of football, when pig skins were hooped around with hobnail boots, to the modern day where as a coach at Oxford United Alan sees the realities of 21st century football first-hand. It is a story that no football fan will want to miss.
