

Birthday Suit

Tyler Durman has found a way to write short stories that are intensely funny and poignant at the same time. He gives us hippos, nuns and nudity (but thankfully, no nude nuns), while seamlessly interlacing profound moments with themes like forgiveness, redemption, and hope. His voice is fresh, raw, and just pure fun. Each year he tells his stories live, before more than 200,000 people. (BSWisdom.com) I was drawn in by the humor, and the quality of the imagery kept me there. My wife was so moved by these stories that she teared up, and when I gave them to my 21-year-old son, I heard him laughing from the next room. This is a book everyone will love.
