

## 25 to Life: The Truth, the Whole Truth, and Nothing but the Truth

She has presided over some of America's most complex and violent cases ranging from narcotics to sex crimes to headline-making murder and mob trials. Her toughness in court is legendary and she is known for frequently imposing maximum sentences (120 years each for five young drug lords). As a result, she must have round-the-clock security as her life has been marked with repeated threats from criminals she put behind bars. Now, Judge Leslie Crocker Snyder has written a riveting account of her years on the bench taking readers behind the scenes and into a courtroom whose trials and rulings have placed a permanent stamp on our legal system. Her true story will inspire and influence many more.
