

A Gift from Maddalena: Traditions through Italian Cooking

This unique cookbook evolved from the story of a young Italian woman who fell in love, married, and made her journey to America seeking a better life for her family in the early 1900s. Maddalena is honored in this cookbook for her courage, strength, love of family, and hard work. Maddalena and her husband, Luigi, raised ten children together. Her recipes have carried on for over 100 years. The magnificent smell of her sauce coming from the kitchen and the comfortable feeling of family unity are the gifts Maddalena left us to enjoy. May the aroma of her foods take you back to find your own memories of a special place and time.
