

## WILLOW WEEP NO MORE

Willow Weep No More is a story about a coal mining family and the struggle to survive. The tension of not knowing from one day to the next if the breadwinner will return from deep underground. Adam a wayward son thinks breaking your back and subjecting your lungs to coal dust is a thing of the past. He is determined to find a new way but fails and then turns his anger inward. At the center of this storm is Mary Bell an innocent young lady who pays a dear price for her dysfunctional family.
