

Blogging for Network Marketing: The Unique 3 R Strategy That Took Me From Network Marketing Failure to Top Earner

DISCOVER: How to Harness the Power of the Internet and actually make SALES! For years network marketers have been looking for ways to harness the power and leverage of the internet to make sales in their business. Niamh Arthur spent 3 years trying to market her business online, brand herself and create the dream. Only to discover that most of the strategies were too complicated, too costly, or ineffective. Niamh finally had a breakthrough in June 2012, when she stumbled upon the concept of 3 R blogging. In the following 90 days she recruited over one hundred people into her business, built a six figure income, and became a top earner in her network marketing company. In this groundbreaking new book, Niamh shares the simple concept she discovered that utterly changed her life and business, and provides a complete start to finish strategy that anyone can use to create a network marketing blog that generates both product and distributor sales in their business, on autopilot! By turning traditional blogging on its head and focusing on what actually helps people decide to buy, you can skip the learning curve, skip the personal branding and create a blog that is an effective sales tool in your network marketing business. In this Blogging for Network Marketing Book, you will learn: The 12 Steps to start your network marketing blog and implement the 3 R strategy in the next 21 days or less!
