

Body Check (New York Blades Book 1)

This game is going into overtime. Jenna MacNeil is a publicist on a mission to change the image of the bad boys of hockey: the Stanley Cup Champion New York Blades. Ty Gallagher is a captain on a mission to get his team to win the Cup against any cost. His determination is legendary, as well as his unwillingness to toe the corporate line. When the persistent publicist and the stubborn captain butt heads, it's hard enough to crack the ice. But they may end up melting it instead.
