

## 129 Seminar Speaking Success Tips

If you're not doing any kind of public speaking, you're just throwing away money. If you are doing some form of speaking, I can guarantee you're making mistakes that are costing you a lot of money and keeping you from earning what you're really worth. Let's put it this way: You are throwing money away because you're not doing seminar speaking right or at all. Either way, you're lucky you have this book right now because these proven, real-world tips and techniques are going to save you a lot of money and make you a lot of money. In this book, I like to use the generic term seminar speaking when I talk about any kind of public speaking. I use the term seminar speaking to include any time you speak to a group of people. It doesn't matter whether it's an actual seminar, a workshop, or a meeting. It doesn't matter if it's a class, a boot camp, or training. It doesn't matter if it's a conference, a charity fund raising event, or a political dinner. I don't care if it's a wedding speech, a keynote speech, or a presentation to the board of directors or a group of sales prospects. If there are people there and you're speaking to them as a group, you are doing what I call Seminar Speaking. If you've never done seminar speaking of any kind before, you're going to find a treasure chest full of tips, tools, and techniques here. Each tip, tool, and technique has been road-tested in the real world and proven effective and can be put to use immediately. If you have done some seminar speaking before, you're going to find some missing pieces in what you've been doing (or not doing) that will take your skill, ability, and effectiveness to a whole new level of success. Finally, if you're a seasoned pro, you're going to be able to take these tips and put a fine shine a high-polish on what you're doing. No matter what your level of experience, from rank beginner to polished professional, you're going to find in this book a practical reference guide to help you achieve

smashing success with seminar speaking. You will find inspiring tips that will motivate you to action. You will find life-saving tips that will help you conquer stage fright and overcome fear of public speaking. You will find tips that will allow you to organize your own seminars with ease. You will find tips that will allow you to prevent your seminar from becoming a chaotic disaster. You will find a number of terrific marketing tips on how to get the butts in the seats or even get other people to do that for you. You will find tips on how to be a master of the stage and a polished and professional presenter. You will find tips on how to avoid deadly mistakes. And much more... This book will set you on the right path. No more guesswork, no more mistakes. No more scratching your head wondering what to do. Ill separate the myths from the realities. Ill separate the lies from the truth. Ill separate the wheat from the chaff. Ill untangle fact from fiction. Ill set the record straight. In this book you get all meat - no fluff, no filler.
