

Super Agent: The One Book the NFL and NCAA Dont Want You to Read

Super Agent. Maverick. Reformer. Iconoclast. Dealmaker. Dentist? Jerry Argovitz has worn many hats in his remarkable life, both inside and outside of the world of sports. As a player agent representing and advising some of the biggest names in the game, Argovitz challenged the NFL both at the negotiating table and in the courtroom, earning a reputation as one of the most powerful men in professional sports. He successfully negotiated the first million-dollar guaranteed contract in NFL history, wrote the language for career-ending insurance policy underwriting for Lloyds of London, and brokered the deal that brought Heisman Trophy winner Herschel Walker to the upstart USFL as a junior, which opened the floodgates for all underclassmen to follow. As the owner of the Houston Gamblers of the USFL, Argovitz helped to implement several rules which were subsequently adopted by the NFL, and served as a principal figure in a lawsuit against the NFL that proved the league was guilty of Sherman Antitrust violations. Now, Argovitz has a plan to reform the corrupt world of college sports, a plan he will share in this eye-opening book. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and

to authors whose work might not otherwise find a home.
