

Bos Lasting Lessons: The Legendary Coach Teaches the Timeless Fundamentals of Leadership

There are very few coaches held higher esteem than Bo Schembechler. As coach of the University of Michigan football team, he won 13 Big Ten titles and finished as the winningest coach in their storied history. But beyond the wins and losses, Bo is best remembered for the remarkable impact he had on his players and fans alike. In **BOS LASTING LESSONS**, the coach draws on his years of experience, using first-person anecdotes to deliver timeless lessons on leadership, motivation and responsibility. His distinctive gruff voice leaps from the page. With pithy language, Bo explains that true leadership requires the compassion to actively listen to your people, and then to have the courage to do what is right every time. A big believer in peer pressure and in always making his players accountable for their actions, Schembechler has coached athletes who went on to become professional football players, doctors, lawyers and CEOs.
